

OUR SUMMER CAMP

This is the 4th year we have held this fun, intensive musical theatre camp for ages 5 through high school. We will teach and develop our young talent all aspects of musical theatre, including but not limited to, singing, acting and dance movement techniques used to audition and perform at your best. Each student will receive one on one with the instructors as well as personal evaluations at the end of camp.

OBJECTIVE

For students to learn techniques for auditioning and performance success in musical theatre. To learn to audition with a smile on your face and how to incorporate that all important “sparkle” factor.
